

40TH ANNIVERSARY

Sponsorship EOI

2024

Gandangara Local Aboriginal Land Council acknowledges the families within the Cabrogal Clan as the Traditional Custodians and their connections to land, sea and community. We pay our respects to the Elders, past, present, and emerging and to all First Peoples within our community.

About Us

The shape and depth of Gandangara's footprint is the expression of our reason for being.

Our main objective, for each of our Members, is to improve, foster and protect the best interest of all Aboriginal persons within the Council's area and all other persons who are Members of the Council (s 51 ALRA 1983) (NSW).

We work hard together with community to become closer, healthier and stronger. Through a range of services, regular open communication, public meetings, and information sharing, we stay connected, feel a sense of belonging and together we thrive.

Just as importantly, we provide a culturally safe place for our Members to come together to yarn, connect and feel they belong.

We also aim to improve, foster and protect the best interests of Members and all First Peoples within Gandangara's boundaries by providing greater access to health services, transport, education, mentorship and work-life opportunities. We actively promote, protect and celebrate our Aboriginal identity, culture and heritage as well as manage, develop and sustain our

landholdings, business enterprises and investments. We also provide and manage community benefit schemes and services.

We achieve all these important outcomes by being strong. We are strong culturally, ethically, organisationally, financially and strategically. We are strong because that is what we are as a people.
